

# Terranc, God of Dawn

## Lord of Dawn, Defender of Shadows

*(God - Level: ??)*

### **Patron Lord of the Sunrise Crusaders**

Terranc, known as the Master of Balance and Bringer of Dawn, is a significant deity in the world of Sentretta. Terranc is associated with balance, dawn, and the transition from darkness to light. The symbol representing Terranc is an orange sun rising over a dark land, signifying the deity's role in bringing light and balance to the world.

Terranc's followers are dedicated to maintaining balance and harmony, often serving as mediators and guides. They believe in the importance of both light and darkness, understanding that both are necessary for the world to function properly. The deity's influence is seen in various aspects of life, from the natural cycle of day and night to the moral and ethical decisions made by individuals.
